

Messages for the mind

Ginkgo Class 2020

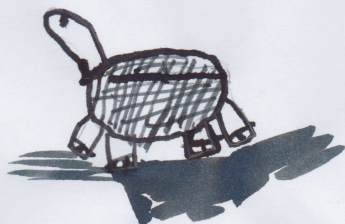

Hello. You did it. You bought our book. We hope that you feel better already. It's a book to inspire and provide hope in a world full of uncertainty. Start in the middle or at the end- it doesn't matter. Every page carries a message that will lift you up when you're feeling down. This book is for everyone, whether you're 7, 17 or 70. Inspired by Charlie Mackesy's The boy, the mole, the fox and the horse, this book is for you to make your own. Add your own notes, crease the pages or switch our writing to make it yours. But most of all, enjoy it. It was made with love and is designed to spread Love x
