# My Pets

We don't have any pets who live with us but we spend a lot of time walking my parent's springer spaniel, Lupin.

# Hobbies & Interests

I love music: listening to it; going to concerts; singing/playing it!

I am a really keen cook; I love cooking new and exciting veggie recipes. Jacob and I also enjoy baking.

At the weekends we all really like going for walks and having picnics. We live just on Dartmoor so can walk up from our house.

We also love GOING TO THE BEACH! We usually go to Mothecombe.
