Dear Parents and Carers,

REMINDER- no school this Friday as it is the first day of our half term holiday. See you on Monday 20th February.

School dinners

We have tried really hard to keep our prices low and have not increased our school meals price for the 9 years I have been here. However due to rising food costs we are having to increase the price of our school dinners slightly to £2.40 per meal. This will start after half term. They are still really good value, cooked on site with great pride, healthy and tasty meals. We really appreciate your support for our wonderful kitchen team by continuing to use our meal service.

What's happening in school this week and next

MUFTI day – Thursday 9th February – to raise much needed funds for school. Please donate generously these funds will be spent on resources for the children. Today children from Year 5 and 6 went to KEVICC for a handball festival.
