

**VIRTUAL MEETING OF THE FULL GOVERNING BOARD  
ON 3<sup>RD</sup> FEBRUARY 2021 AT 8.30AM**

*“We are a community with a lifelong passion for learning.”*

**Present: Ian Stewart (IS), Mike Waterson, (MW) Neil Maslen, (NM) Claire Jones,  
(CJ) Joel Mcilven (JM)**

**Minutes**

- IS to ask HP for an updated overview of the remote / blended learning offer, for review before and discussion at the FGB on 9<sup>th</sup> Feb – this has been provided
- NM asked if the school would consider commissioning an external review, possibly Babcock, of where they are in key areas of school improvement eg:
  - Curriculum
  - Teaching & Learning
  - SEND Provision
  - Safeguarding etc.
- JM re-floated his idea of soliciting feedback from parents on remote learning, things to learn from, etc. We discussed how this would need to be sure to not invite open criticism, but rather focus on specific areas to give points that governors may wish to follow up on or give advice on. As a group we agreed this was sensible to try and gauge how parents in our school are able to assist with home learning – also taking into account that this summer would be the next parent questionnaire – and so JM will aim to produce a suggested format for this for discussion on 9<sup>th</sup> Feb.

The meeting ended at 9.15am
